

CURRICULUM VITAE

NAME: **Frank MILNE**

CITIZENSHIP: Australian
Canadian (From June 2006).

CURRENT POSITION: BMO Professor of Economics and Finance, June 2000 -
Economics Department
Queen's University
Kingston, Ontario
CANADA K7L 3N6
Phone (613) 545-6494
Fax (613) 545-6668
email:milnef@qed.econ.queensu.ca

Cross Appointment, Queen's School of Business.

EDUCATION: Australian National University, Ph.D., 1975
Monash University, M.Ec., 1971
Monash University, B.Ec., (Hons.), 1969

PRIOR EXPERIENCE: Sept. 1975 - Aug. 1977 Visiting Assistant Professor of
Finance and Economics
Graduate School of Management
University of Rochester
ROCHESTER, NEW YORK

Aug. 1977 - June 1991 Reader
Department of Economics
Faculty of Economics
Australian National University
CANBERRA ACT 2600

July 1991- June 2000 Professor
Economics Department
Queen's University
Kingston, Ontario
CANADA, K7L 3N6

Honory Degree:
Doctor of the La Trobe University (honoris causa) conferred on May 2, 2013.

LEAVE: January-June 2012: University of Auckland New Zealand;
Economics Dept., University of Exeter University, UK.

LEAVE: September 2008-June 2009: Special Advisor to the Bank of Canada.

LEAVE: Jan-June 2006:

Erskine Fellow, Economics Dept., University of Canterbury, New Zealand.
Dept of Economics, University of Exeter, UK.

I taught an intensive one week course in Risk Management at the Bank of England, London in the summer 2006.

LEAVE: Jan-June 2002:

Visited and taught PhD course in Continuous Time Finance, Finance Dept. University of Melbourne,
Visited Economics Dept, New York University;
Economics Dept. University of Birmingham;
Economics Dept, University of Heidelberg.

LEAVE:1997- 1998

Visited for short periods at:

Institute of Advanced Studies, Vienna;
Mathematics Dept, Trieste University;
Economics Dept, Birmingham University;
University of Chicago Business School;
Graduate School of Industrial Administration Carnegie Mellon University;
Graduate School of Management, University of Melbourne.

Visit: March 2003

University of Paris, Dauphine. I taught a PhD course in Asset Pricing Theory
Seminar at University of Paris, Sorbonne

MAJOR ADMINISTRATIVE POSITIONS (QUEEN'S)

Graduate Chairman - Queen's Economics Dept. 1993-1995
Alumni Fundraising for QED June 2003-
QED MA Placement Officer 2001-.

EDITORIAL BOARDS

Annals of Finance (Since March 2004)
Mathematical Finance (Since January 1991)
Council of the Bachelier Finance Society – coopted February 2001 until December 2001
Economic Record: 1989 – 2008.

Other Positions:

Research Fellow, C.D.Howe Institute, Toronto. (August 2009 -)

CONFERENCE ADMINISTRATION

Programme Committee member Econometric Society World Congress, Barcelona, August 1990

Programme Committee member, Western Finance Meetings, June 1991.

Programme Committee member Derivative Securities Symposium, Queen's University 1992 –6

John Deutsch Institute a conference, “Current Directions in Financial Regulation”, May 13-14, 2004 in Toronto (co-organiser with Edwin Neave.)

Co-organiser with Fatma Saryal: “Queen’s Conference on Behavioral Finance”, March, 2010

Member of the Scientific Committee for the Bachelier Conference, Toronto, June 2010.

CONSULTING

I have acted as a consultant for politicians in Australia, and with various Federal government departments in Australia and Canada. I have consulted at the Bank of Canada and the Bank of England. I have acted as a consultant at various levels with private sector banks on risk management issues.

INVITED TALKS AND CONFERENCES (SELECTED):

Xing Jin and Frank Milne “Taxation and Transaction Costs in a General Equilibrium Asset Economy”, delivered as an invited paper at a special conference in Mathematical Finance honoring Professor Dilip Madan at the Norbert Wiener Center, Mathematics Dept, University of Maryland, September, 2006.

Invited Keynote speaker, Australasian Economic Theory Workshop, 15th-16th February 2007.

Australian National University, Canberra. I was invited as a founder of the Workshop and to celebrate the 25 annual conference.

Seminar at Quant Finance Workshop Boston University, April 2007, “The Role of Large Players in a Dynamic Currency Attack Game”.

C.D. Howe Conference on aspects of the Credit Crisis and Regulation. December 2007, 2008, 2009.

Canadian Economic Association meetings, Toronto 2009. Three presentations.

Quantitative Finance Programme, University of Waterloo, April 2010;

Invited Speaker, Field’s Institute, Univ of Toronto, Conference and MITAC Workshop. 2010.

Invited Speaker at Bachelier Finance Society 6th World Congress, Toronto, June 22-26, May 2010.

Invited Speaker at Mathematical Finance, Canadian Applied and Industrial Mathematics Society Conference, Toronto, June 2012.

Since the onset of the Crisis I have given many presentations at Canadian Universities and Conferences.

COURSES TAUGHT:

Microeconomic Theory (From Basic Principles to Graduates)

Second year PhD Workshop in MicroEconomics (topics change from year to year).

General Equilibrium Theory (Grad)

Applied Game Theory (Fourth Year U.Grad)

Financial Economic Theory (Grad)
Economics of Uncertainty and Information (Grad)
Financial Intermediation and Banking Theory (Grad)
Financial Risk Management (Grad)
Theory of Asset Pricing (Grad)
Financial Derivatives (Grad)
Corporate Finance(Grad)
Investments (U.Grad)

GRADUATE STUDENT SUPERVISION:

I have supervised and continue to supervise approximately 2-3 PhD students a year, either as a principal supervisor or as a committee member for the Economics Dept or School of Business.
I supervise approx. 2-3 MA essays a year and the occasional 4th year thesis.

RESEARCH

Research Grants:

I have held SSHRC research grants almost continuously since 1992, both as a primary investigator and as co-investigator.

Frank Milne, "The Three Great Economic Crises", Invited paper in Gary Johns (ed.) *Really Dangerous Ideas*, Connor Court Publishing, 2013.

SELECTED PUBLIC POLICY PRESENTATIONS:

Frank Milne, "Risk Management Systems, Systemic Risk and the Credit Crisis", C.D.Howe Institute in Toronto December 14, 2007. My two discussants were The Deputy Governor of the Bank of Canada, and the Head of Research at the Canadian Office of Superintendent of Financial Institutions

Since the onset of the Financial Crisis I have given many presentations related to the Crisis. For example, I was a discussant and presenter in three sessions of the Canadian Economic Association meetings Toronto, 2009; Wilfred Laurier University, May 2009, and Carlton University, January, 2009; Field's Institute, Univ of Toronto, November 2009; C.D.Howe Institute September and December 2009. CFA Ottawa meeting and University of Ottawa January 2010.

In 2010 I was contracted by the Dept. of Justice, Canada as an expert witness for the current case before the Supreme Court of Canada, concerning the proposed national securities regulation. In the Dept of Justice factum, my paper, "The Impact of Innovation and Evolution on the Regulation of Capital Markets", Expert Report for Supreme Court of Canada, May 26, 2010, was cited extensively.

Monday Morning Forum, Queen's University, "The Economic and Financial Crisis: Solutions?" January 2012.

Public Lecture: "Economic Crises: The Impact on Australia and Canada", La Trobe University, Australia, March 2012.

Other Talks:

Invited paper: "Comparing Australia and Canada: Strategic Risks and Opportunities in the Age of Austerity", Invited Paper prepared for Conference *International Security in an Age of Austerity*, Queen's University, June, 2012.
